

# LE PARC

eyewear collection a/w 2023

a new playground.

le parc is born from the need to play, try and  
be creative. to create that playground where  
we can innovate, improvise and take risks, having  
fun and creating new and relevant products  
while letting our imagination fly.

# zoom in

we zoom in on the gaze,  
because in the gaze lies  
the personality.
